MESSAGE FROM THE ENDEAVOUR PTSA BOARD

Thank you to all the families, teachers, staff and students for your generous support and contributions of time, talent and funding during the 2019-2020 school year. The school year was turned upside down in March as we moved to at home learning in response to the COVID-19 Pandemic. As a non-profit, we worked with school administration to help serve the immediate needs of students, teachers and our community. Membership voted to use a portion of unspent funds from cancelled events to support the Issaquah Food Bank.
