

A HUGE thank you to parents, students, teachers and staff for the incredible job you did supporting Endeavour Elementary during our Fall Fun Run!

It was a tremendous success and we raised over \$68,000 for our school! Our students, teachers and staff will benefit from your contributions, as the funds will be used for Classroom Grants, Science Programs including our Annual Science Fair, the Discover Art Program, Recess and Lunch Support and an abundance of student enrichment programs.

Not only did we raise these important funds, but the entire program created an incredibly positive and inclusive experience for our students, school and community. Throughout the past few weeks, the program delivered consistent messages throughout the day for our children to believe in themselves, work as a team and stay active. It was very rewarding for all students to be able to celebrate together during the Fun Run itself and cheer for their classmates and teams.

We want to thank you again - it was great to see our whole school and community come together to support Endeavour Elementary.
