

Every year, the Endeavour Elementary PTSA asks for YOU, people in our community, for nominations for awards supported by the WSPTA. Please nominate the volunteers and educators you think most exemplify the talents, values, and efforts described here.

The Golden Acorn Award is given to those people who have given exemplary volunteer service to children and youth in our community. The Golden Acorn is very special and is given for continued and dedicated service. Nominees for this award include volunteers that meet the mission of the PTSA: to provide an enriched educational and social experience, by partnering with parents, staff, and students to support and inspire the children of our community

The Outstanding Advocate Award honors an individual who provides an enriched educational and social experience for the community, by partnering with parents, staff, and students to support and inspire the children of our community. Volunteers who speak up for students or who try to change things for the benefit of children at a school, district, state, or even national level are considered advocates. Nominees for this award could be general or specialist teachers, assistants, administrators, other school or district staff, or a PTSA member.

Volunteers needed!

We need YOU! The Discover Art Program is looking for two fabulous volunteers to fill the CRUCIAL roles of **Supply Co-Managers!** Our program won't function without a well-stocked and beautifully organized closet of supplies that all our children get to enjoy.

We have been graced by the talent and energy of Janet Bien and Heather Morrow for the past few years, and now it is time for them to train the next generation of supply superheroes. We work as a team to keep this program alive, and can only succeed with help from volunteers like you.

Candidates need not be current art docents - so if you or anyone you know wants to make a huge contribution to our community by lending their time to our Supply Co-Manager position, please let us know! discoverartdocent@gmail.com

Registration Closed!

Endeavour Science Fair is Friday March 9th, 6PM-8PM!

Thank you for registering for the Science Fair!

We are happy to announce that we have more than 350 students participating this year!

Boards will be available for pick up during the week of February 12th. Specific dates and times will be emailed soon.

We still need volunteers for set up and judging.
