

2018 ENDEAVOUR JAG-A-THON

It's time for the **JAGATHON**, the only major fundraiser of the year! We are running the Jag-A-Thon "in house" (we are not using a third party), so 100% of your donations will enrich the academic and social experiences of our students and our community. During the next two weeks, students will enjoy lunch time raffles and fun team building activities, then celebrate at the Jag-a-thon during recesses with music, lap prizes, and a fun treat!

Your financial support funds student academic enrichment programs in every class, provides staff and campus support and encourages social and community engagement. **WE NEED YOUR HELP!**

GOAL:
\$150 per student
\$80,000 overall

WE HAVE A WINNER!

There were 1,295 expired Box Tops in the jar at Meet the Teacher. There was a 6-way tie with each guessing 1,000. One name was drawn and the winner is Greyson from Angeline's class. Congratulations!

Join us for Spooky Spaghetti Night

Bring the whole family for ghoulish delights and a frightful evening of fun at Spooky Spaghetti on **Wednesday, Oct. 26** from **5:30-8 pm**.

Dinner seatings are at 5:45, 6:30 and 7:15 pm. Your meal will include pasta with tomato sauce or butter/parmesan cheese and meatballs, salad, bread, dessert, and a beverage. A vegetarian option also available.

- \$6/person when purchased in advance online
- \$7/person at the door (dinner seating on availability – last year was a sellout)

Costumes are encouraged and prizes will be awarded for each grade (costumes must be elementary age appropriate and family friendly).

Membership Matters! Have you joined the PTSA?

If you're already a member, thank you for joining! If not, [please join today!](#)

Funds raised by the Endeavour PTSA directly support your child's educational experience. Vital programs such as Art Docents, Science Fair, Culture Night, Eager Reader and Math Club are funded by the PTSA. The PTSA also helps fund important classroom enrichment, such as science to go classes, teacher grants, and laptops.

Your membership not only benefits your child, but PTSA Membership has many privileges. Your PTSA Membership provides access to our Online Directory, but also gives you exclusive savings through the Washington State PTA negotiated programs: Great Wolf Lodge and Wild Waves discounts, ticket savings to many venues and events, and much more.

Check out the [WSPTA page](#) for details!

THANK YOU

A **BIG** THANK YOU to our Baking and Hospitality Chair, **KARA SPEER** and all the volunteers that helped bake and coordinate our Annual "Tea and Tissues" event for Kindergarten parents! We greatly appreciate all of your time, effort, and delicious treats!

THANK YOU to **DAVID KEITH** and **MARMAR WRIGHT** for leading our Popcorn Fridays. Your volunteering and support enables us to provide a little treat to our students one Friday a month. Everything you do is truly appreciated by our parents and students.

THANK YOU to **KYOKO KOBAYASHI** and **MARIA RUELAS** for organizing and chairing our first picture day this year! Your help was greatly appreciated by all in making Endeavour's picture day a smooth and seamless process!

Before and After School Classes*

Young Rembrandts - Elementary Drawing | Grades: K - 5

Tuesday Mornings | 8:15 - 9:15 AM | 10/2/2018 - 12/11/2018 | \$170.00

Classes held at Endeavour Elementary, Room 510

Our elementary-age curriculum is designed to teach basic to advanced drawing skills, art techniques and vocabulary. We believe that drawing is the bedrock skill required for future artistic success. We give them skills to express their creativity, and believe that all children can – and should – learn to draw. You'll see increased art abilities, learning skills, self-confidence and self-esteem.

\$170/per session [Register Here](#)

TechVenture Kids- Exploring Robotics | Grades 3-5

Thursday Mornings | 8:00 – 9:10am | 10/4/2018 -11/29/2018 | \$200.00

Classes held at Endeavour Elementary, Room 510

In this before-school TechVenture Robotics Class, kids explore BUILDING and CODING robots. Students have fun building various robotic creations with Lego We Do Kits or Edison, and programming their creations to complete simple tasks. Delving deeper into computer science, students also explore Wonder Bots, collaborating with others to program their robots in solving multi-step challenges.

\$200/per session [Register Here](#)
