

Endeavour Heritage Night Flag or Symbol Project

Dear Endeavour Students, Families, Teachers, and Staff,

Please join us in this optional project around culture as part of our preparation for Heritage Night on April 26th. Your artwork will be presented in a hallway display and our goal is to represent everyone at the school. Please return to your teacher **by the extended deadline, Wednesday, April 19th**.

In the rectangle on the back side of this page, please draw a country flag or symbol that you identify with culturally. This could be where you, your parents, grandparents, or ancestors were born, and reflects traditions you honor in your home (meals, holidays, dress, dance, etc.). This could also be a symbol representing a region, group of people, or religion of cultural importance to you. You can ask your parent(s) or caregiver(s) to help you to look this up.

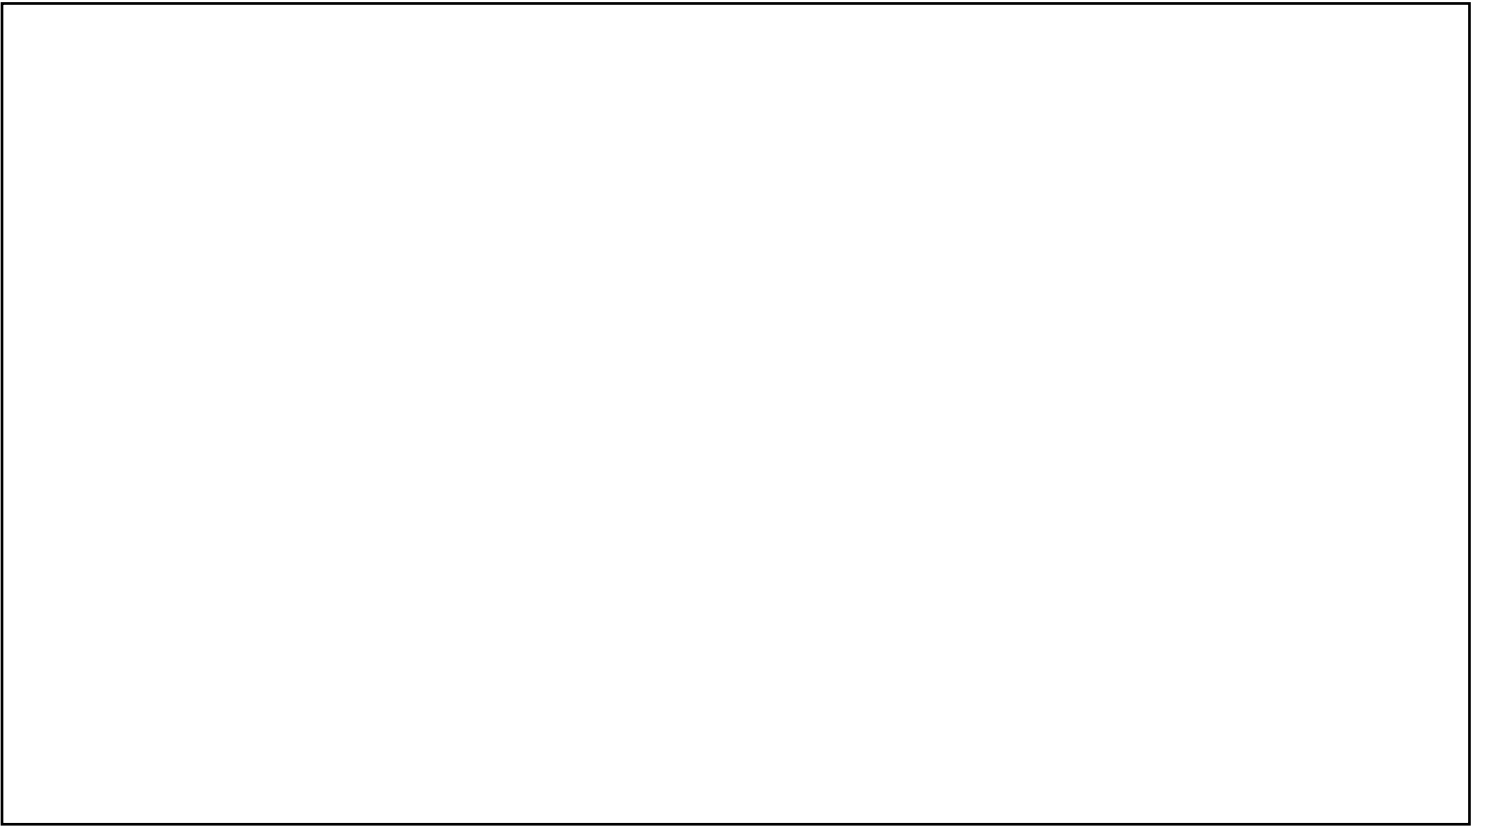

Please answer the questions on the back of this sheet

Thank you,

Endeavour PTSA Heritage Night Committee
